

DEAR FRIENDS,

The Three for Hope Foundation, in conjunction with Tee It Up Events, is excited to host our First Annual Charity Golf Classic. The event will be held on Tuesday, September 6, 2011 on the beautiful grounds of Fair Oaks Country Club and Golf Course. Registration starts at 11:00am, lunch at 12:00pm, and The Four Man Scramble begins at 1:00 p.m.

We invite you to dust off the ole' golf clubs and start practicing your swing and come join us in supporting the Three for Hope Foundation.

Three for Hope's mission is to empower and inspire other burn survivors to overcome the hardships they have experienced. Three for Hope provides financial aid for burn survivors to receive the latest laser treatments, which can be extremely costly. These aesthetic laser treatments help minimize the appearance of burn scars. Three for Hope Foundation strives to enhance and build burn survivors self-confidence not only with the help of the laser treatments but also by providing emotional support, which ultimately contributes to improving their overall quality of life.
